FOOD & BEVERAGE – EMPLOYMENT OPPORTUNITIES

Restaurant Supervisors (seasonal)

As a Restaurant Supervisor you will you will be expected to take a leading role in the restaurant and manage the day to day workflow of the food and beverage team in order to ensure that all guests are provided with a warm and friendly welcome and that their every need is met. You will be responsible for setting the restaurant, cashing up, assisting with stock ordering and dealing with deliveries. You will assist with the development of F&B related functions by identifying improvements and making recommendations as well as developing and motivating team members and ensuring that appropriate operating standards and procedures are implemented.

The following key criteria and skills are required for this role:

- Previous experience of operating in a busy restaurant or bistro environment in a supervisory capacity
- Alcohol license training and up to date food safety certificates (advantageous)
- Good IT skills and experience and knowledge of POS/Excel/Word
- Excellent communication and interpersonal skills
- Meticulous eye for detail and exceptional planning and organisational skills
- Passion for delivering exceptional guest service
- Confident and outgoing personality
- Ability to multitask and work in a busy, fast paced and challenging environment
- Creative with the ability to take initiative and a proactive approach to problem solving
- Positive and flexible approach to work (weekend, evening and night time work will be required)
- Proof of eligibility to work in the United Kingdom

Waiting Staff (seasonal and ad hoc variable hours)

As a member of the Food and Beverage team you will be expected to provide a warm and friendly welcome to all restaurant guests and be attentive to their every need. You will be responsible for taking guests' food and beverage orders and ensuring an exceptional food and beverage service is delivered at all times. You will need to be knowledgeable about the food and beverage offering available in order to advise guests accordingly.

The following key criteria and skills are required for this role:

- Previous waiting experience within a restaurant, cafe or bistro is essential
- Up to date food safety certificates and alcohol license training would be a distinct advantage
- Excellent communication and interpersonal skills
- Confident and outgoing personality
- Exceptional guest services skills
- Keen eye for detail
- Ability to work in a fast paced and challenging environment and maintain a consistently high standard of service under pressure
- Positive and flexible approach to work (weekend, evening and night time work will be required)
- Proof of eligibility to work in the United Kingdom

Bartenders (seasonal and ad hoc variable hours)

As a Bartender you will work as part of the Food and Beverage team to provide a warm and welcoming service to our guests and be attentive to their needs. You will be responsible for taking and preparing guests' drinks orders and ensuring that all drinks including cocktails are delivered in line with our guests' expectations at all times. You will need to be knowledgeable about the beverage offering available in order to advise guests accordingly.

The following key criteria and skills are required for this role:

- Previous bar experience (ideally within a restaurant or bistro) is essential
- Up to date food safety certificates and alcohol license training would be a distinct advantage
- Excellent communication and interpersonal skills
- Confident and outgoing personality
- Exceptional guest services skills
- Keen eye for detail
- Ability to work in a fast paced and challenging environment and maintain a consistently high standard of service under pressure
- Positive and flexible approach to work (weekend, evening and night time work will be required)
- Proof of eligibility to work in the United Kingdom
